Second Line Opens, All Commuter Trains To Be On Track From Tomorrow Rail traffic inches towards normalcy

Abhilash.Botekar
@timesgroup.com

Nashik: The Railways heaved a sigh of relief on Saturday as the second line — towards Mumbai from Bhusawal (Up) — that was under repair at the spot where the Duronto Express derailed on Tuesday was opened for traffic.

Now, all commuter trains from Manmad are expected to run normally from Monday. The track between Asangaon and Vasind in Mumbai Division of Central Railway was damaged after derailment of Nagpur-Mumbai Duronto Express.

The officials, however, said that the opening of track was delayed by several hours

A total of nine coaches along with the engine got derailed injuring several passengers, but no casualty was reported. Due to this, traffic between Manmad and Kalyan junctions was closed and large number of trains were either diverted or cancelled.

At 6.25am on Saturday, the track was termed safe for driving with a speed of 10-km per hour. Bhopal-Lokmanya Tilak Terminus (LTT) train left Asangaon railway station at 7.34am and Vasind station, six-km away, in 40 minutes.

"The trains have been asked to travel at very slow speed across the 900 meter of the track that was damaged. It has been newly laid and would take some time to settle," a railway official said.

The opening of the second

line has now helped trains, coming from Mumbai, pass the spot non-stop albeit at low speed — around 30-km per hour. "Till now the trains were run only through the single line. Hence, trains from either side would stand in queue and would take turns to cross the spot, resulting in wastage of at least 30 minutes for each train between the two stations. Now, the trains coming from Mumbai and Manmad will not have to wait thus saving their time," he added.

Due to this development, crowd at most of the stations across Bhusawal division was seen reducing. "The trains are still running late or cancelled. The crowd is still waiting at stations to get accommodated in the trains. But since the trains have now gathered pace,

the travel time and wait time is decreasing. It will take time before normalcy sets in," the officer said.

Meanwhile, the Rajya Rani Express was cancelled for Saturday and Sunday, while all commuter trains from Manmad will be on track from Monday. "Panchavati Express and Godavari Express have already been resumed. Rajya Rani is expected to resume service on Monday," the official said.

The officials, however, said that the opening of track was delayed by several hours. "We were expecting handing over of tracks on Friday night, but the work was delayed owing to various reasons. But since safety is of prime concern, the delay has to be ignored," the official added.

Chaos prevails at rly stations

Abhilash.Botekar
@timesgroup.com

The Bhusawal Division of the Central Railway has received severe flak from various commuters for its alleged mismanagement in running long-distance trains at different railway stations under the division.

The train services in the division were disrupted following derailment of the Nagpur-Mumbai Duronto Express in the Thane district on August 29. Due to the mis-handling of the Mumbai-based control office of the Central Railway, there was utter confusion about the status (running/delayed/cancelled) of various trains in the division.

The passengers seeking full refund on their tickets due to train cancellations were made to wait for hours altogether since there was no final word on the train status.

Jamuna Sarma and her family were stranded at Nashik Road station for almost 18 hours since Friday night. Hailing from Haridwar, the family had come to Shirdi (after alighting at Manmad) on Tuesday. The family of five then came to Trimbakeshwar and had booked seats in the train to Haridwar on September 1.

"We are getting different replies from local railway authorities on the status of the train. While ticket collector and help desk at the station are saying that the train has been cancelled, clerks at booking counters are not cancelling the tickets saying that the computerized system is not showing that the train has been cancelled, which means it will ply," Sarma, who was visibly upset, said.

She said she was earlier told that the train has been rescheduled and will arrive in five hours. "Now it is more than 18 hours but the train or any information on it is yet to arrive," she said.

Passing the buck, a senior Nashik Road station official said train status was not within their purview. "We just convey the information that we receive to the commuters. But it's true that there is confusion at the control office, which has led to chaos at different stations. We have never experienced such poor management by control officer earlier," he said.

Citing past instances, a senior railway official in the Bhusawal Division said there had never been such chaos. "A major portion of soil was washed away near Ambivali and Shahad in July 2005 and Hazrat Nizamuddin-Ernakulam train was derailed in November 2013. In both these cases, there were cancellations and diversions and short-terminations, but there was no chaos or confusion since the control office was firm on its decisions. There is no decision this time around," he said.

Auto DCR: Only seven proposals get NMC nod

The building permission is supposed to be accorded within a period of 60 days

Nashik: Out of the total 138 proposals for building plan approval uploaded on Auto DCR (automating development control regulation) from June 1, only seven have been approved till date. In addition, a total of 11 proposals show shortfall owing to various reasons.

The building permission is supposed to be accorded within a period of 60 days. On being asked about this, the Nashik Municipal Corporation (NMC) officials said that they will check the pendency period and will speed up the approval process.

According to sources in the NMC's town planning department, 16 of their computers are lying defunct and only four are working. Architects, engineers and builders are disappointed with the system as none of the 138 proposals have been rejected and the number of approvals has been dismal.

The Auto DCR was brought into force on June 1 to bring about transparency, reduce work of the town planning department and prevent human errors.

A renowned architect in the city told TOI, on condition of anonymity, said, "The Auto DCR was to be implemented 5-6 years ago. The Central government had asked corporations to do it under JNNURM, but there was a lot of political interference. Now they launched it in a hurry. The system

ask our people to take a print out of the drawing and get it scrutinised. The drawing is uploaded in the system and passed, so why should we take a print out? It is just to earn money. The entire system is handled from Pune. The purpose of Auto DCR is not solved," said another architect.

He added that the concept was very good and successful abroad, but here it is a failure due to rampant corruption.

Municipal commissioner Abhishek Krishna said, "We will look into the computer problem. All applications that are pending will be looked into and we will clear them. The time limit in right to services for giving approval is 60 days. We will see how many proposals have crossed the 60-day period and will do it at the earliest."

Five-year-old girl scales Kalsubai peak

YOUNG ACHIEVER: Adiba Khan

Sumita.Sarkar@timesgroup.com

Nashik: City girl Adiba Mohammed Arif Khan (5) became the youngest person to have scaled the highest peak in Maharashtra when she summited Kalsubai recently.

Khan is a senior KG student of Little Kingdom (pre-primary section of Golden Horizon School).

The trekking group led by her father, Mohammed Arif Khan, hoisted the national flag on January 26. After scrutinising all the necessary documents, Vajra, the south India-based organisation awarded her a memento, medal and certificate in August. Revenue commissioner Mahesh Zagde also felicitated Adiba last week.

The event was organised by Mark Martial Arts, council for Communal Harmony and Humanitarian cause in collaboration with Government of India, Ministry of Youth Affairs and Sports.

"She has been trekking to Pandavleni and Anjaneri since the past 1-1.5 years and actively participates in sports in her school. She carried her own bag during the trek and did not let anyone help her during the climb. Some people even asked me how I could leave her alone," said her father who is a sports director at Bhujbal Knowledge City. Her 14-year-old sister also climbed the peak with her.

Khan discovered his daughter's potential more than a year back when she ran 3km with him on the ground near their house.

"It was during the same period that I saw her climb the staircase from the outer side of the railing. I also found that she loved climbing mountains and began taking her with me on treks. She never gets tired. To the best of our knowledge, she is the youngest person to climb Kalsubai," Khan said.

Adiba, while sharing her experience, said, "The best thing I liked about Kalsubai trek was the peak. I was very happy. I also liked the monkeys on the way to whom I offered chocolates. I was not tired at all. I like to climb. Next I want to climb Anai Tankai. I also want to climb Everest."

She said that she felt happy when her teacher took her to all classes in her school and introduced her.

Her mother Reshma, who is a lecturer, said, "We always take the girls to parks, gardens and village farms, where they are close to nature. We don't take them to movies or let them play online games. We ask them to play outdoor games"

Youth nabbed for robbing elderly women

TIMES NEWS NETWORK

Nashik: The city police on Saturday nabbed a youth for snatching gold chains and ornaments of elderly women on the pretext of giving them lifts on his two-wheeler.

The suspect, an ITI pass-out, has been identified as Yogesh Kadam (23) and is a resident of Ozar in Niphad Taluka of Nashik district.

Assistant commissioner of police Vijay Kumar Chavan and senior inspector of Adgaon police station Sunil Kumar Pujari told TOI that the youth has confessed of targeting and looting elderly women, including senior citizens.

The police swung into action after three incidents of elderly women being robbed in a similar fashion were brought to their notice in the last few days.

While one of these incidents took place in the Ozar area a fortnight ago, Kadam robbed the other two women on August 29 and August 30 in the Adgaon area of the city.

The suspect's modus operandi was to target elderly women waiting for buses at bus stops. He would approach them on his bike and pretend to help them out. He would indulge in small talk with them and gain their trust.

"He would then offer them lift and claim to drop them off to their destinations. However, on the way, he would drive off to some secluded places on the pretext of enjoying a glimpse of Ganpati idols and pannels.

Goons flee with car: Four unidentified goons attacked car driver Vishal Navale and took away his car in Indiranagar on Friday. The victim was ferrying a private company official who had come to the city for work. In his complaint with the Mumbai Naka police, Navale said that when he was driving his car in Indiranagar area at 6am four youngsters arrived at the spot. They forcibly stopped the vehicle at knife point and dragged the duo out of the vehicle. Later they fled with the car to Mumbai. Police later found the vehicle in Sinner. **TNN**

जाहिर आवाहन

मलेरीया, चिकुनगुनीया व डॅंग्यु हे डासांमार्फत फैलावणारे आजार आहेत. विशेषतः डॅंग्यु/चिकुनगुनीया ह्या आजाराचा प्रसार 'एडीस एजिप्टाय' या जातीच्या डासांमार्फत होतो. मलेरीया ह्या रोगाचा प्रसार 'अॅनाफिलिस' डासांमुळे होतो. या डासांची उत्पत्ती सात दिवसांपेक्षा जास्त काळ साठवलेल्या घरगुती पाण्याच्या साठ्यामध्ये होतो.

* **तापाची लक्षणे :-** अचानक तिव्र ताप येणे, डोके दुखी, अंगदुखी, सांधेदुखी, थंडी वाजणे, उलटी होणे, त्वचा लालसर होणे, असे इ. त्रास होणे.

या रोगांना रोखण्यासाठी खासिले प्रमाणे उपाययोजना करावी व या आजाराचा उद्वेग करण्यासाठी प्रशासनाला सहकार्य करावे.

- पाण्याचे सर्व साठे उदा. टाक्या, बॅल, हौद, रांजण, ओव्हरहेड टँक्स इत्यादी आठवड्यातून किमान एक वेळा स्वच्छ करून घासून पुसून कोरडे करावेत व नंतरच पाणी भरावे.
- घरातील सर्व पाणी साठ्यांना हवाबंद झाकणे बसवावे किंवा पातळ स्वच्छ फडक्याने बांधून ठेवावे. जेणे करून डास आत जाऊन अंडी घालणार नाहीत.
- फ्रिज, कुलर, फुलदाणी, झाडाच्या कुंड्या, फिशटँक यांमधिल पाणी दररोज बदलावे.
- टायर, भंगार, छतावरील व गॅलरीतील निरुपयोगी सामानाची विल्हेवाट लावावी अथवा त्यांमध्ये पाणी साठुन राहणार नाही याची दक्षता घ्यावी.
- विषाणुजन्य तापाचा प्रसार करणारे डास दिवसा चावतात त्यामुळे शाळा, कार्यालये इ. ठिकाणी स्वच्छता राहिली याची दक्षता घ्यावी.
- आठवड्यातुन एका ठराविक दिवशी घरातील पाण्याचे साठे, माठ, रांजण, सिमेंटची टाकी इ. रिकामे करून घुवून कोरडे करावेत व नंतरच त्यात पाणी भरावे व डासांचा उपद्रव टाळण्यासाठी घर व घराचा परिसर स्वच्छ ठेवावा. गटारी वाहत्या ठेवणे, खडे बुजविणे इ. कार्यवाही करावी.
- टाके, कारंजे, पडीत विहीरी या ठिकाणी गप्पी मासे सोडावेत. सदर मासे मनपामार्फत मोफत मिळतात, ते डासांच्या अव्या खातात.
- म.न.पा., व आरोग्य कर्मचारी घरी आल्यानंतर सर्व पाणीसाठे दाखवून सहकार्य करावे.
- गरोदर माता, लहान मुले, वयस्क व्यक्तींनी दिवसा झोपतांना मच्छरादाणीचा वापर करावा, व संपुर्ण शरीर झाकले जाईल असे कपडे परिधान करावे.
- ताप आल्यानंतर ताबडतोब रूग्णास म.न. पा. दवाखाने, शासकीय रूग्णालय येथून उपचार करून घ्यावेत.

वरील प्रमाणे काळजी घेतल्यास चिकुनगुनीया, डॅंग्यु व मलेरीया तापाच्या आजारावर लिथिचत नियंत्रण करणे शक्य होईल.
